Architecture

Massimo

Benetton

Born in Treviso in 1967,
MASSIMO BENETTON is one of the
TOP ARCHITECTS OF OUR TIME.

Massimo Benetton studied at the University of Architecture in Florence, graduated at the Istituto Universitario di Architettura di Venezia I.U.A.V and subscribed to the Roll of Architects of Treviso. 1999 He opened his own studio of architecture in Treviso, Via Siora Andriana del Vescovo 5. He then collaborated with architect Afra & Tobia Scarpa in realizing the development of the productive area "Jeans e Capi spolla" of United Colors of Benetton of Castrette di Villorba (Treviso). In 1995, he collaborated with architect Toni Follina in participating in the International Architecture Competition for the realization of the new Museum of Korea.

His works include: In 1995 "THE GHIRADA" city of sports in Treviso. In 2000-2001 Massimo Benetton did the project of planning his own private house and this gave him the occasion of experimenting new techniques. A masterpiece on its own. I also would like to mention the Directional Office of Olimpias s.p.a at Ponzano Veneto (Treviso) He also realised another private villa at Ponzano Veneto (Treviso) with architect Tadao Ando and a restoration of a private apartment in S. Margherita (Riviera). In 2003-04, he realized a new factory of 10.000m², in Monastir (Tunisia) a

restaurant, in Treviso (300m²) in 2005 a new factory in Labin (ISTRIA) 7.000m² and realized a huge planning of a new residential and commercial area in Fiumicino (Rome) 24.000m². For kids he created the "The New Kindergarden" in Treviso together with architect Campo Baeza. At the same time he did another factory in Monastir (Tunisia) 22.000m². At the moment, he is busy with a restoration of a private building 1.200m². Massimo Benetton is not only a great ARCHITECT, he is also a great HUMAN BEING. He has a wonderful personality, he is known as the most wonderful friend, the most loving father to his daughter and son and the most devoted husband to his beautiful, wonderful and caring wife Samantha.

ITALY

Massimo Benetton, Architect

Né à Trévisé en 1967,
MASSIMO BENETTON
est un des grands architectes de notre époque.

Après des études à l'Université d'Architecture de Florence et l'Istituto Universitario di Architettura de Venise, Massimo Benetton ouvre en 1999 son propre studio d'architecture à Trévisé. Avec les architectes Afra & Tobia Scarpa il développe la zone d'activité « Jeans et Capi Spolla » (United Colors of Benetton) à Castretti di Villorba (Trévisé). Avec l'architecte Toni Follina, il participe au concours international d'architecture pour réaliser le nouveau Musée de Corée.

En 2000-2001, Massimo Benetton se lance dans des techniques nouvelles en faisant construire sa propre maison privée. D'autres projets réalisés: La « Ghirarda » (cité des sports) à Trévisé, le siège de la direction d'Olimpias et une villa privée à Ponzano Veneto (Trévisé), un restaurant à Tunis, des usines à Labin (Istrie) et Monastir (Tunisie) ainsi qu'une gigantesque zone résidentielle et commerciale s'étendant sur 24.000 m² à Fiumicino près de Rome.

A Trévisé, il a créé une nouvelle école maternelle avec l'architecte Campo Baeza. A l'heure actuelle, il se consacre à la restauration d'une propriété privée de 1,200 m².

Massimo Benetton n'est pas seulement un grand architecte, mais aussi une personne de qualité. C'est un ami merveilleux, le meilleur père pour sa fille et son fils et l'époux dévoué de sa belle et charmante femme Samantha.
